Dear Sirs.

Hereby we inform you that our products don't contain any of the substances included in the Candidate List, as it is presented on European Chemical Agency (ECHA)'s web site at the address:

<http://echa.europa.eu/candidate-list-table> (last update on 15.01.2019)

We also inform you that it is our care to periodically check the named list and obtain the same warranties from our supplier.

We declare as well that the above mentioned materials fulfill the RoHS Directive updated to the 2015/863/CE Directive and according to our best understanding don't contain minerals coming from Congo Republic or its neighborhoods.

At your disposition for any clarifications would be needed.

Best regards
